House

---

Senator Pizzo moved the following:

**Senate Amendment (with title amendment)**

Delete lines 123 - 129

and insert:

(1) Except as authorized in subsection (2), a public employee in a bargaining unit may not have any payroll deductions collected by an employer from his or her salary unless the payroll deduction is court ordered or the payroll deduction is for health insurance premiums that have been negotiated by the employer and provided to employees as part of a compensation package. Payroll deductions prohibited under this

586438

12 subsection include, but are not limited to, dues and uniform  
13 assessments, supplemental insurance premiums, charitable  
14 contributions, and contributions to financial investment firms.
